

# Connect with Ai-powered voice, video, and messaging

Bring customers and employees together with Dialpad Connect — seamlessly built for business.

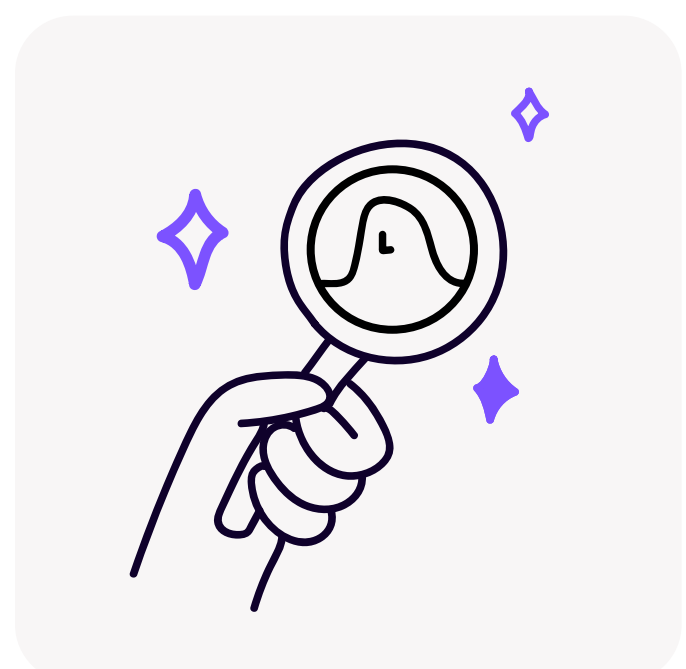

## Elevate every conversation

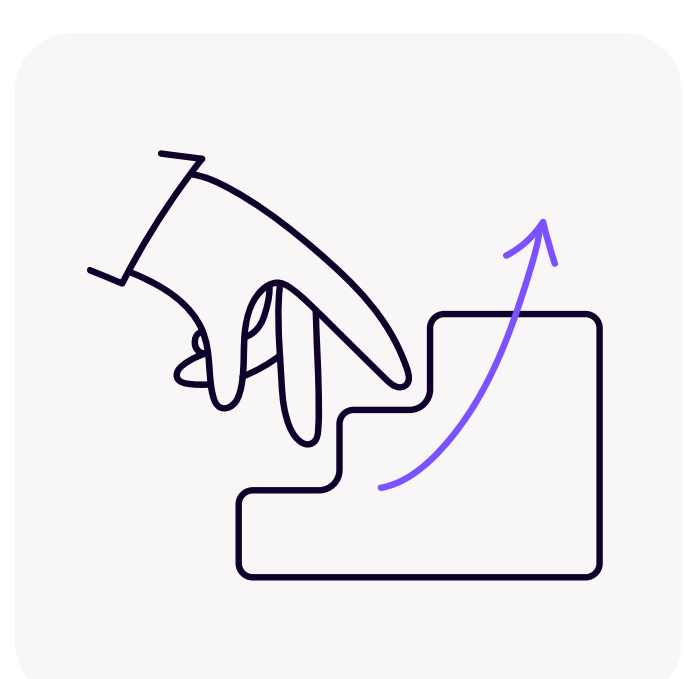

### Streamline your communications

Call, message, meet, transfer calls, and switch devices seamlessly — all from one secure, Ai-powered app.

### Stay focused on your customer

Be fully present during every conversation, with automatic call summaries and recommended action items.

### Boost productivity

Up-level coaching, audit calls, and get powerful insights, with accurate and real-time call transcriptions.

"Our legacy phone system wasn't broken, but we wanted something to get us to the next level and give us a competitive advantage. [Dialpad has catapulted us into the future.](#)"

Kevin Maher Jr, General Manager

# Elevate every conversation

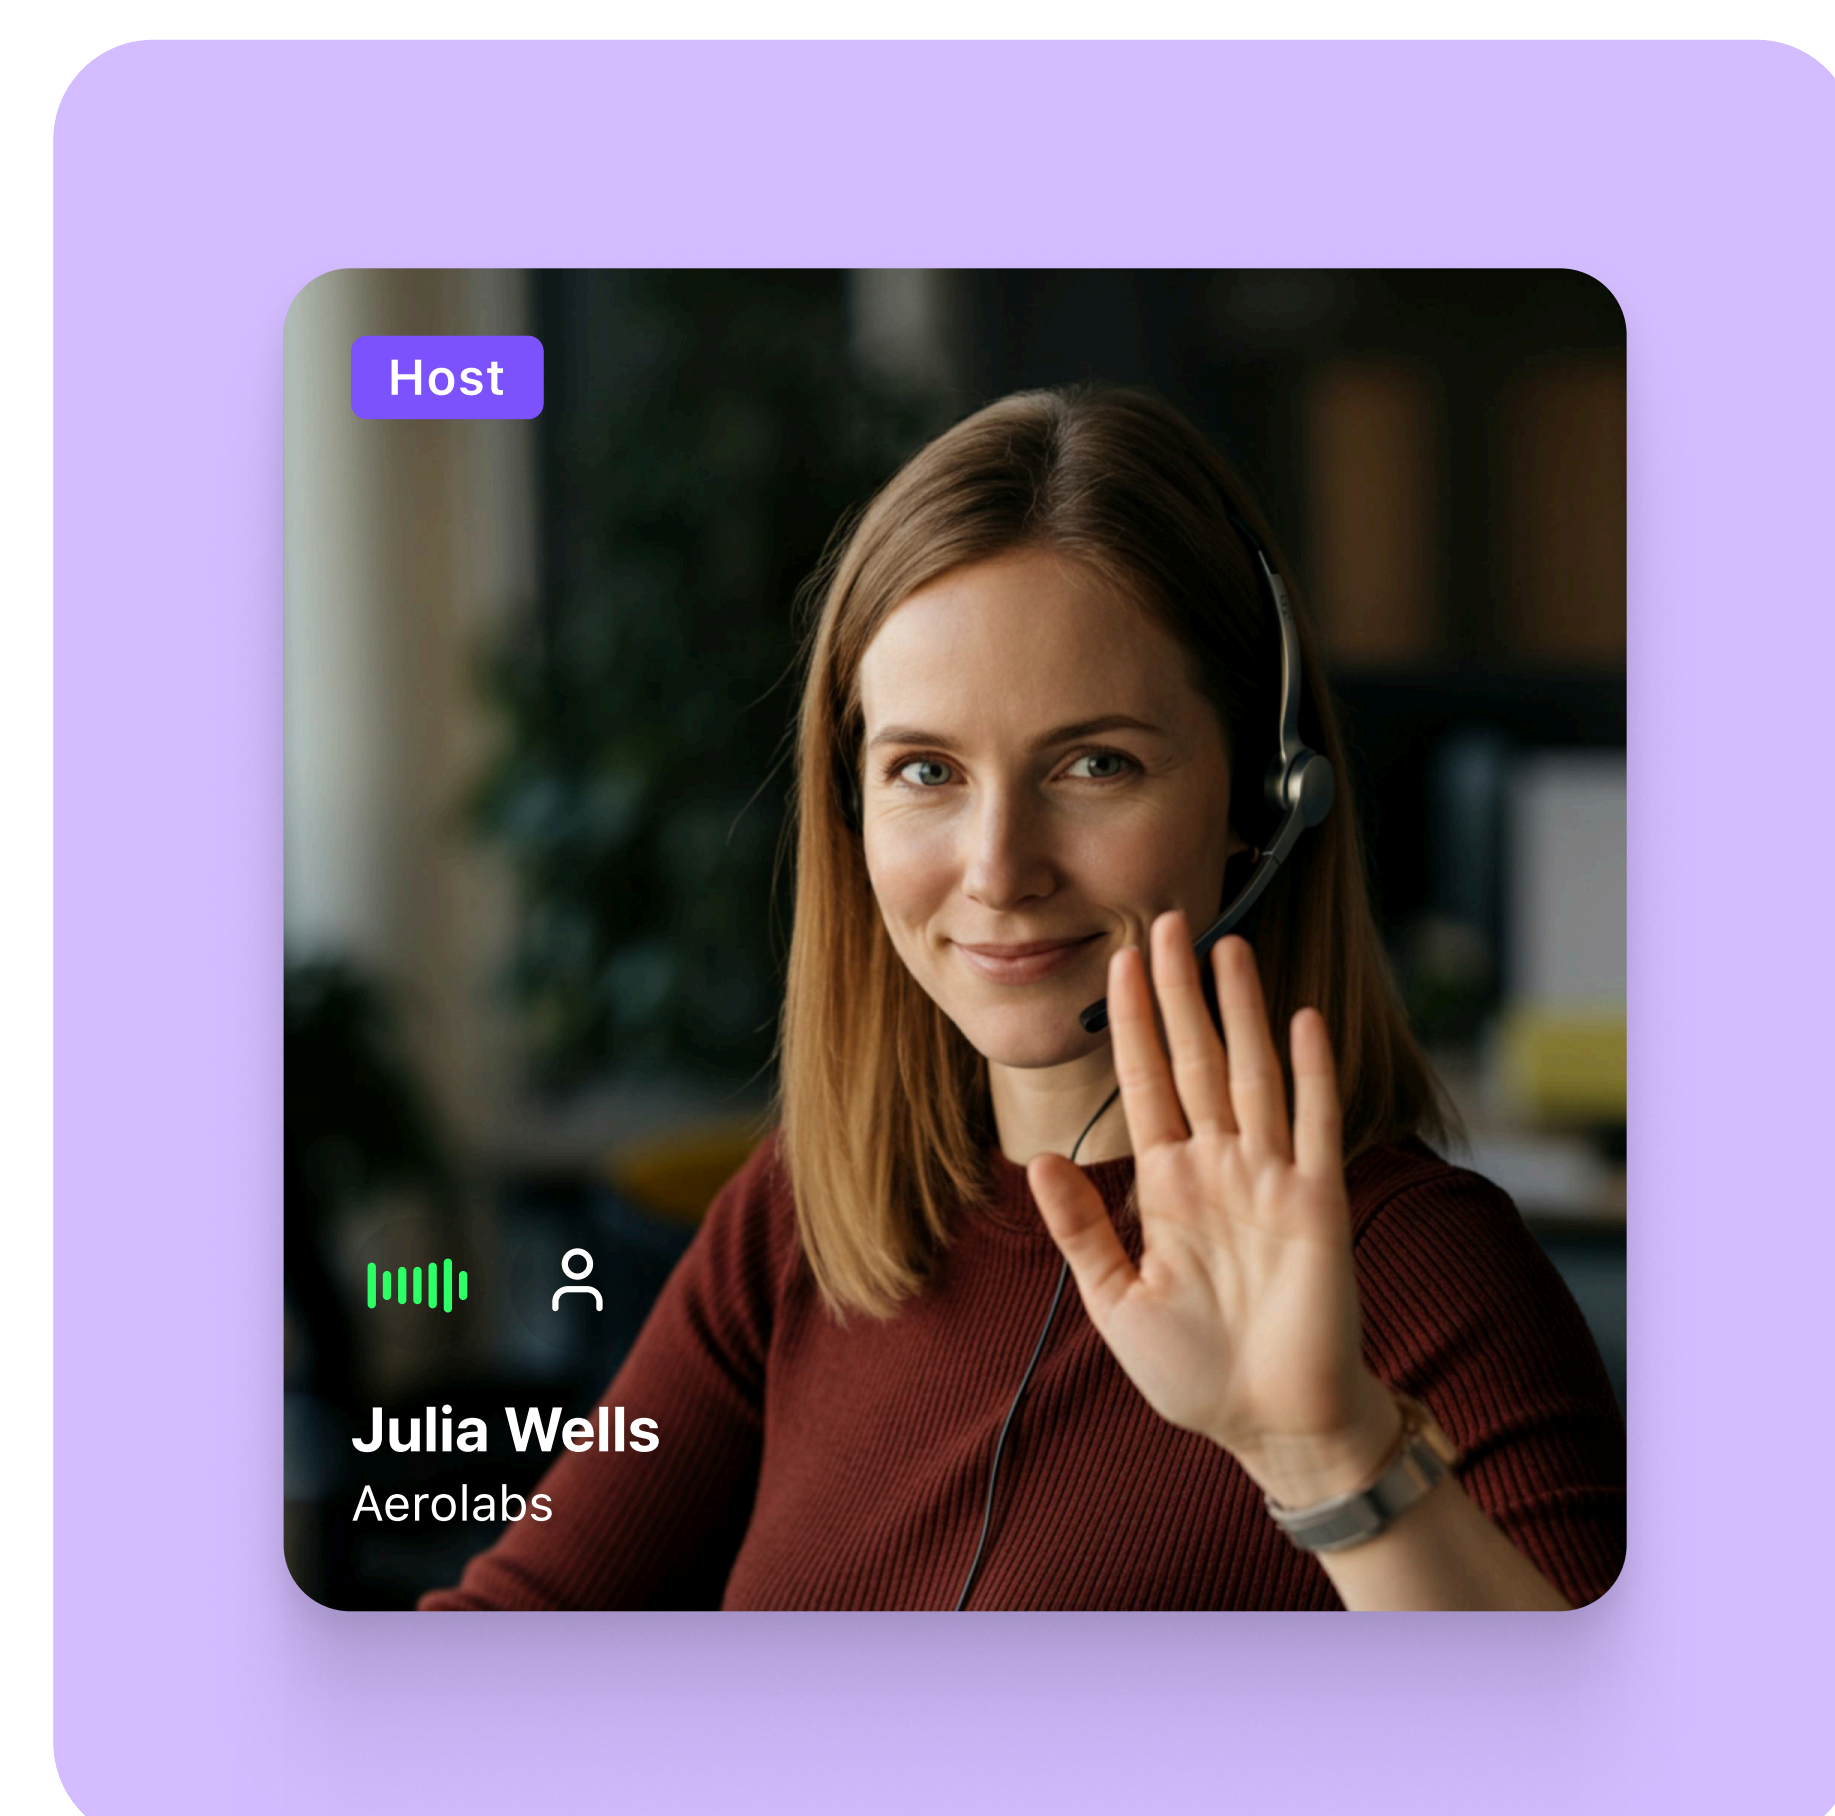

## Calling

- Cloud-based telephony VoIP in high-definition, that connects with your go-to apps and is compatible across devices—no matter where you are.
- Sort incoming calls based on custom IVR.
- Switch calls seamlessly between devices.
- Choose local area and toll-free numbers.
- Access Ai Recaps, transcriptions, and call summaries.

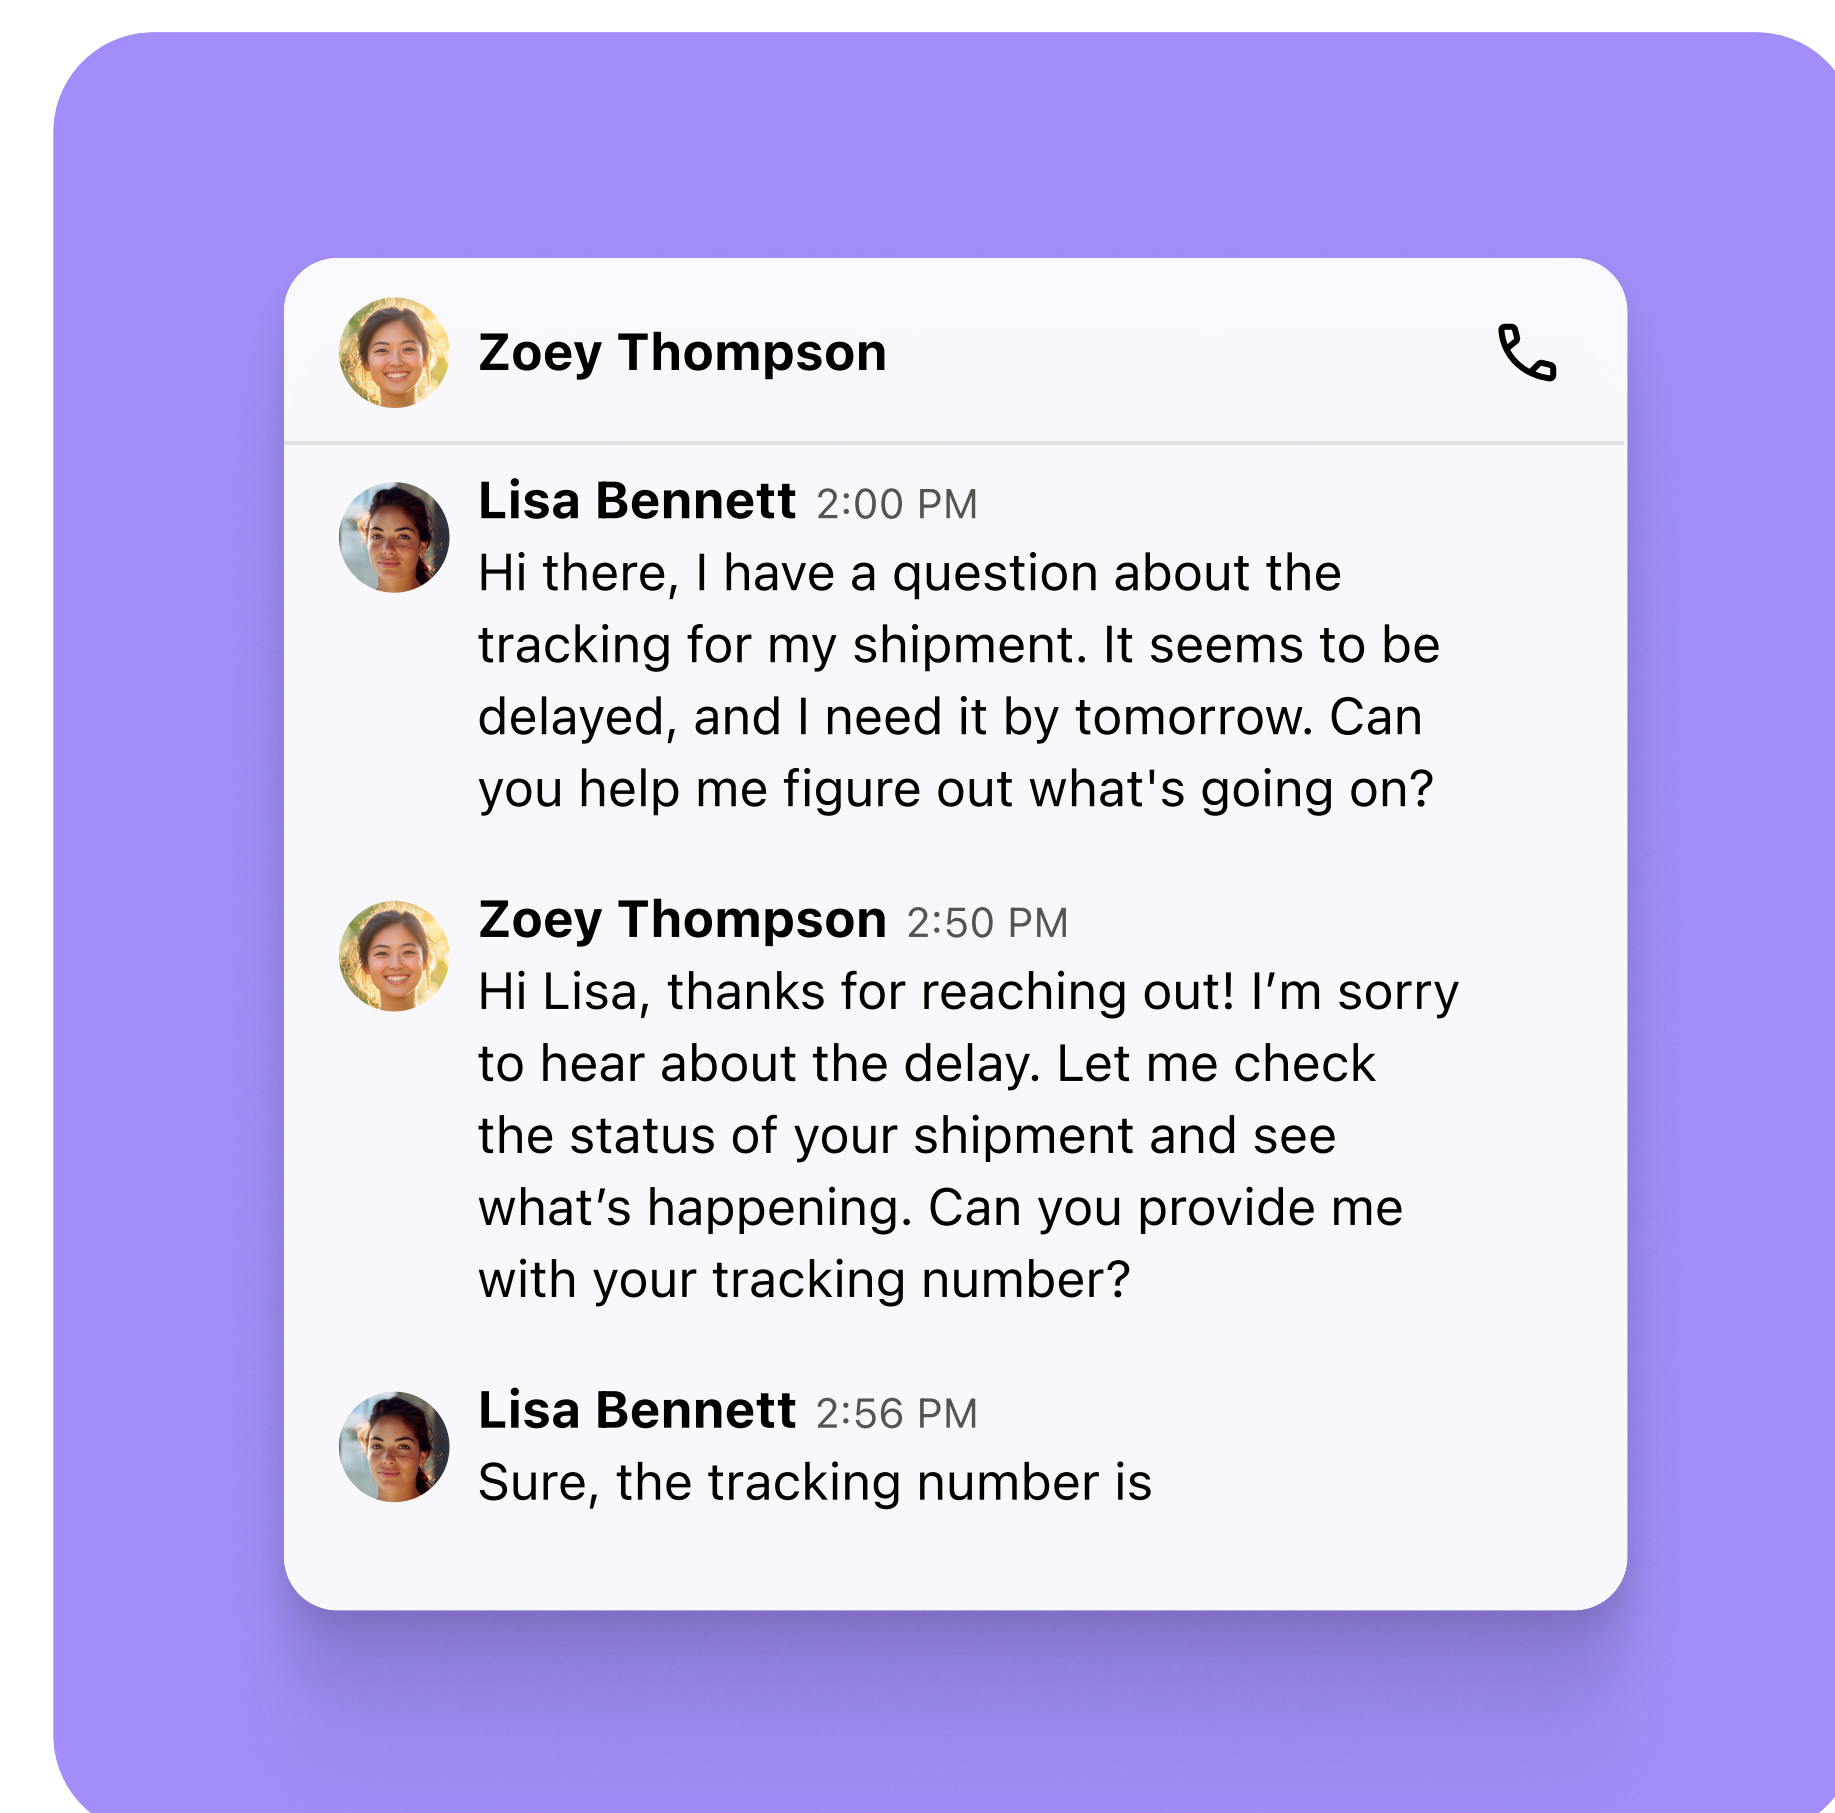

## Meeting

- Free, unlimited video meetings in HD, and on any device.
- Highly customizable, with options for layout, background, hold music, and meeting room URLs.
- Access Ai Recaps, action items, Ai Transcriptions and Call Summaries after meetings.
- Easy content and file sharing, and a live chat with previews.
- Integrated with Google Calendar and Microsoft 365 for easy scheduling.

## Messaging

- Create and manage threads, groups, and channels.
- A delightful messaging experience.
- Start a quick call from a message thread in just one click.
- Manage your contacts seamlessly, check their availability, out-of-office, and work hours.

## Trusted by enterprises everywhere
