Lumen NaaS in Action: Off-Net Expansion & Live Demo

Partners,

Thank you for joining us for **Lumen NaaS in Action: Off-Net Expansion & Live Demo!** Click here to access the [Presentation Deck](#) and [Webinar Recording](#).

Lumen is redefining how partners deliver connectivity and, this week, we unveiled our next big leap for NaaS: **Internet On-Demand (IoD) is now available at 10 million+ off-net locations.** You can now offer full NaaS feature parity to customers in buildings beyond Lumen's network footprint.

This network expansion is a game-changing opportunity for you. You now have the power to simplify multi-site deployments, win larger and more complex deals, and enable modern connectivity wherever your customers do business.

Now is the time to activate your off-net strategy. Connect with your Lumen Channel Manager today to build a winning off-net sales motion!
